TEST OF ACCESS CONTROL EQUIPMENT AT THE NORTHEAST ENTRANCE

The Office of Security has initiated a limited test of access control equipment located at the Northeast Entrance of the Headquarters building. Only those Agency employees who have been issued special test badges will be required to process through the access control devices. All other employees may use the Northeast Entrance during the period of this test if they will observe the signs directing them to bypass the access control equipment and show their regular Agency badge to the guard stationed there in the same manner as they do at any other entrance.
